

as part of UG/PG Curriculum

Lendi Institute of Engineering and Technology

Established on **November 2, 2009**, the **English Language Communication Skills (ELCS) Lab** fosters communication and language proficiency through a **Computer Assisted Language Learning (CALL)** environment. Upgraded on **January 23, 2024**, the lab now features **cutting-edge digital tools** to meet the demands of **21st-century learners**.

□ “Our Five-Semester Journey – From Observation to Opportunity”

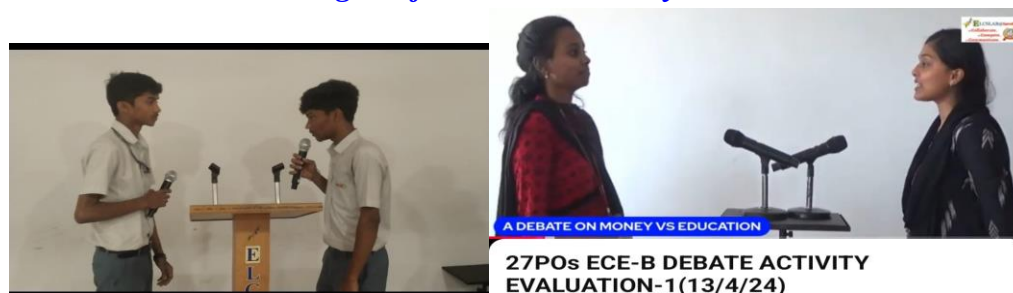

I-1: Observing – Guided observation during foundational coursework

I-2: Scanning – Identifying personal skill gaps

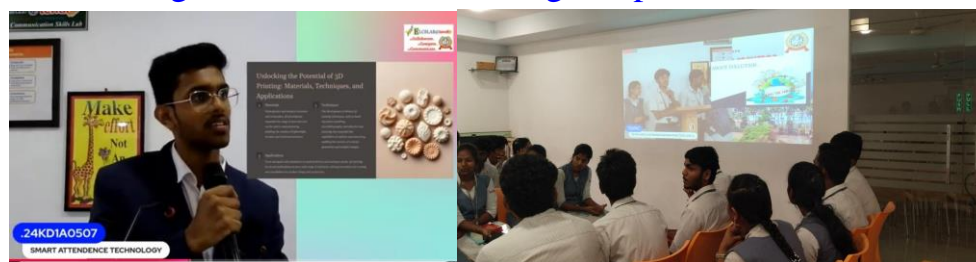

II-1& II-2: Setting & Developing– Defining direction for focused communication growth
Intensive & practice and skill enhancement

III-1: Aiming – Job readiness, mock interviews, and certifications

First-year students engaging in a debate session as part of the Communicative English Lab course – cultivating confidence and clarity in communication.

Showcasing Innovative Ideas Through Impactful Presentations.

(EXTERNAL EXAM CHUNK !)

*It's a splendid work out taken by our students for an external exam fight to show themselves...
All practices were executed over external exams and students have given the best with all practices made in ELCS LAB.*

*JOURNEY OF FLYING HIGH WITH FUTURE DEVELOPMENT :
GUEST LECTURE BY MR. DAVID FALLOON From IRELAND
DEVELOPMENT WITH HIGHER STUDIES IN ABROAD ...*
